

Communication and Experiential Learning

Communication.....

“Every interaction you have with a person either increases or decreases your endorsement.” (copyright Target Training International, LTD)

DISC Profile

- Know your behavior style
- Recognize the behavior style of others
- Adapt and blend your style for greater, more effective communication and relationships!

Experiential Learning.....

“A process of group interaction to complete, solve and perform established tasks while learning more about our values as well as the values of others.”

Copyright Kolbe and Associates2001

Adventure Initiatives

- Challenging team problem solving
- Building trust and respecting others
- Time to think and be out of the box!!
